

# Wanangkura Stadium

Port Hedland, WA  
Australia

## Project Information

Client: Town of Port Hedland

Project Value: \$35 million

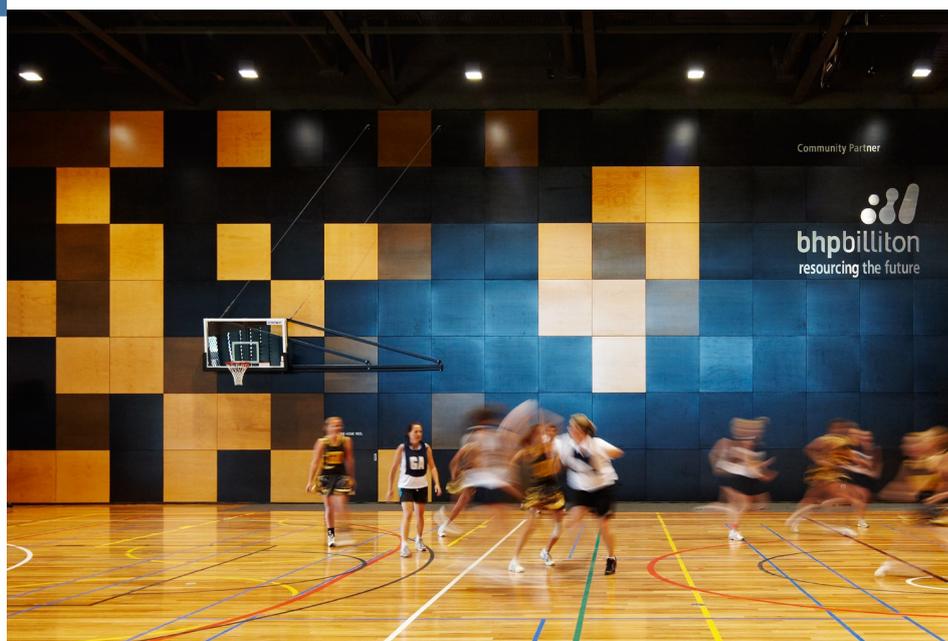

Capacity: 404

Architects: ARM Architecture

Architectural Style: Iconic

Opened: 29 July 2012

Photography: Peter Bennetts

Wanangkura Stadium is Port Hedland's new multi-purpose recreational centre. The building comprises of a main hall space that accommodates one full-sized indoor show court for basketball and netball & includes volleyball, basketball and badminton courts with fixed and retractable seating for 404 people.

Mirotone wood coatings were used on the wall panels with *MIROSTAIN* stains in honeycake, brown and black top-coated with *MIROTHANE PU* clear, polyurethane coatings to create a striking feature on the walls of the main basketball court.
